

HUMAN NATURE
DON'T CRY

Sometimes things can get _____

But that's no reason to go run
and _____

I haven't heard from you _____
The days and nights just keep
on _____

Well I guess that it's _____
But I have no fear in letting _____

I gotta look to the _____
It's time to face the _____
And make it on my own, so

Don't cry for me baby
I'm operating on a natural high
Don't you cry for me baby
The past is over now
So kiss it goodbye

Don't you stand in my _____
'Cause when you do I take it

I guess it's time to let you go
Can't sit here waiting for a

I gotta get a _____
(Yeah, yeah, yeah, yeah)
Communication seems to be a
no
(no, no)
What happened to the

If I don't get an _____
I think I'd better go so

Don't cry for me baby
I'm operating on a natural high
Don't you cry for me baby
The past is over now, kiss it
goodbye

Don't you cry for me
Don't shed a tear for me
I'm gonna be _____
(Alright now)

Don't you cry for me
I'm not in _____
I can't wait

I'm gonna have me a good time

Don't cry for me baby
I'm operating on a natural high
Don't you cry for me baby
The past is over now, kiss it
goodbye

So dry your _____
No need to cry
No time for sad _____
It's time to go
Nothing to _____
So baby don't you cry
